

SLIPSTOP

Aftercare

Specialist cleaning products for tiled floors, marble and granite, as well as general purpose cleaning liquids of extraordinary quality.

Products: S 005, S 015, S 035, S 055, S 085

The **SLIPSTOP CLEANER RANGE** is designed to solve cleaning problems with a minimum of effort. In response to demand from customers who realise that man power is more expensive than quality cleaning products, we have developed a wide range of cleaning products from floor cleaners to general purpose cleaners.

S 005 EVERYDAY CLEANER

for upkeep of ceramic tiled floors in areas with low contamination.

S 015 MAINTENANCE CLEANER

our most famous floor cleaner, recommended for upkeep of **SLIPSTOP** treated floors in areas with high contamination, like kitchens, food processing areas, pool areas etc.

S 035 ANTI-SLIP RESTORER

for restoring anti-slip effect on **SLIPSTOP** treated floors, where cleaning has not been up to standard.

S 055 GREEN CLEANER

100% biodegradable all round cleaner, ideal for cleaning of marble and granite floors as

well as computer equipment and other plastic surfaces. It is also probably the best carpet cleaner you have ever tried.

S 085 WAX & GREASE REMOVER

very tough on polish, wax, grease, body fat and dirt.

Flexibility.

If you have special needs not covered by the products listed on this leaflet, please contact us. We strive to fulfil all cleaning needs and can deliver a wide range of customised products.

Benefits.

- Provides the highest standard of appearance with minimum effort.
- Cuts down on costly cleaning time.
- Proven quality. Daily use of **SLIPSTOP** floor cleaners will ensure slip-resistance is retained for a period in excess of the 5 year guarantee period.
- Direct from the manufacturer, very competitive prices.
- **SINGLE SOURCE SUPPLY.**
